Let *Extreme Makeover's* "Flirting & Kissing Coach" Help You Find Out if You're Dating a Frog or a Prince!

Relationship expert, author, and *Extreme Makeover's* Dating, Flirting & Kissing Coach, **Marilyn Anderson** reveals how women can *leap* away from the wrong men. Her book, **NEVER KISS A FROG: A Girl's Guide to Creatures from the Dating Swamp**, teaches women how to recognize *FROGS* – the *human* kind - at first sight.

Anderson says forget the old myth: "You have to kiss a lot of frogs before you find your prince. "No way," she says. "The truth is, you can't find a prince if you're busy kissing frogs!"

Marilyn was originally a biologist and studied the mating habits of animals. Now, as the world's only "frogologist," she studies the mating habits of the *male* animal! As a single woman, she has been in the dating swamp forever – and sees both the pitfalls and humor of relationships. She brings an uncanny level of knowledge and wit to any discussion of dating, on or off the internet.
